Testimony of Joseph J. Summers

Public Safety and Security Committee Public Hearing

March 8, 2016

Chairman Dargan, Chairman Larson, Members of the Public Safety and Security Committee, for the record my name Joseph Summers from Hebron and I am here to testify in **opposition** of:

HB-5549 – AN ACT CONCERNING THE CODES AND STANDARDS COMMITTEE

I would like to thank the committee allowing me to submit testimony here today.

The current make-up of the Codes and Standards is currently well balanced. To change the make-up from two fire marshals to four fire marshals would shift more towards one industry. The committee should have the same number of building officials as fire marshals.

Respectfully submitted,

Joseph J. Summers
